Chéia Vida Vitality

Taking Chéia Vida every day is a delicious way to help you get the most out of each and every day!

The precisely formulated blend of botanicals in Chéia Vida is designed to help increase energy without any side effects or jitteriness, to boost your metabolism so you can burn fat more efficiently, and to help control your appetite and reduce the hunger cravings often associated with weight control programs.

RevvLean Cleanse

RevvLean Cleanse Complete Detoxification is a cleansing agent as well as a natural detoxifying nutritional that because of its herbal wonders should enhance a healthier skin and complexion. Not only will weight loss be more efficient, but the body's response will also be greater stamina and an enhanced sense of well-being. Because this simple and complete detoxification nutraceutical helps the body to produce normal amounts of bile for digestion, it should provide better fat metabolism and energy production.

CBD Oil Tincture

TRANQUIL MINT Flavor

Our CBD Oil Tinctures are simple and safe, with quick results, and are easy to use. Each drop contains our broad-spectrum, THC-free phytocannabinoid-rich hemp oil. Use sublingually (under your tongue), day or night.

CBD Oil Softgels

Revv Naturals CBD Softgels give you predictable results in an easy-to-swallow format. Each softgel is made using water-soluble nanoemulsion technology, shown to increase bioavailability up to 200% over an oil-based CBD product.

CBD Salve with Lavender & Eucalyptus

Revv Naturals CBD Salve is a balanced combination of beeswax, aromatic essential oils, and phytocannabinoid-rich hemp oil that helps soothe discomfort, reduce inflammation, and support skin and joint health.

CBD Gummies

Delicious Strawberry Lemonade flavored premium CBD gummies!

Every gummy has 10mg of premium CBD with 30 gummies per jar. Our CBD gummies are an excellent way to support any wellness regimen. These tasty gummies are gluten-free, THC free, and vegan! They also come in a convenient BPA-free jar.
